The Archduke Louis Joseph of Austria is
deed, agel eighly: He was uncle to the Emperors of Austria and Mexice, and before the
revolution of 1848 was a man of much political influence. Sold at Dit E. EASTERLY & CO.'S Family Medicine Store, 59 Madison street, near the Post-Office, Chicago, Ulback. Commission Abrerhants. were found.

—The Archduke Louis Joseph of Austria is a dead, ageit eighty—He was uncle to the Emperors of Austria and Mexico, and before the revolution of 1848 was a man of much political influence.

—Stransa, the author of the "Life of Christ" has taken up his residence in Berlin, as a set to be near the Royal Litrary in that city.

—The London Post Office receives something also besides letters. For instance, in one month of 1854 there were posted seven thousand one hundred and flour of sugar, one thousand and thirty-four of hops, a specimen of asphalte, a cribage-board iwe litrary in the course of the flouring of the flouring and thirty-four of hops, a specimen of asphalte, a cribage-board iwe litrary in the course of the Royal Canada and thirty-four of the Royal Canada and thirty-four of the Roman citizens.

—A railway is to be built from Rome to Tivel, the classic and favorite place of resort of the Roman citizens.

—Seven Fretestant places of worship were open in Paris on Christmas last. They were the Royal Litrary in the church of Sectland, a second English church, the Episcopal charrh, the Wesleyan church, the Congregation classification of the Royal Litrary poisoned at Bradisred, England, from drinking warm ale, in which hallebore powder, had been put by mistake, instead of ginger.

—A pestilearial fever has succeeded the late atomain Rengal. The fish in all the tanks south of Calculti died, and the water became tance.

—It appears, from statistics laiely published the during the year 1808 the number of the first stay. DR. EASTERLY'S PAIN KILLER. HOBACK'S BITTERS. PARWELL, HILL & KNOX, Jacob, Dec. The Boston Courier says:

The Boston Courier says:

The Coliden belonging to Mr John B Nebols, of Haverill, and the cervant girl living in the family, he at very narrew energy of the foundation of the family had a very narrew energy evening December 5th. Mr. and firs. Nichols of left the family in the early part of the ovening, to attend the silver wesding of a friend, resident several miles distant. They such that the family in the early part of the ovening, to attend the silver wesding of a friend, resident several miles distant. They such that the family in the carly part of the ovening, to attend the silver wesding of a friend, resident several miles distant. They such that the family in the family in the carly part may be upon a wind the parents felt as invasingle desire of the family gave consent that they might remain up and await their return. At shoot half part mine the parents felt as invasingly started at once. Upon reaching the dwelling they get no response to thate reducency to enter; the ringing of the bell was not promptly answered. By stooping they were enabled to look in through a crevice in the wisdow by the runting and they aw whe servant gell making strempts to reach the door, but prevented by constant falling. The little girl also was profitted the strength of the falling slephess by the floor, prevented them from exteening to some time. The odor of coal gas is the room accounts of the frightful condition of things. It required a long time to return the first of the parents had been designed from the proper channel. The gas proceeded from a coal slove in the room, the samper of which in some way became DR.
